My dear Len,

I expect you think it is about
time I wrote to you to thank you
for the Air letter I received on 24th May.
Anyway better late than never, as they
say, & thank you very much for it.
You certainly seem to be having
a good time, although I do not think
I envy you. I really do not think
I will follow your suggestion to
come out there. It doesn't sound
too exciting really. I think it would
be a bit boring to do nothing but
perspire. I might evaporate.

Grandpa came over for the
day yesterday. He seemed fairly
well. He said that you had seen
Marie's Best. I expect you were
pleased to have a good talk
about home & everybody.

I expect you have heard all
about the Airgraph which was printed
in the paper on 31st May. It was

very strange, I was looking at the
Daily Sketch at the office & happened
to look at the section "Talk of the Town".
When I saw was done by a
friend in the same ship Radio Officer
L. Abbatt. I nearly jumped out of
my seat. It is certainly very good.
Now, you are getting quite a
professional artist. Fancy having
your drawings printed in the paper.

You seem to have had a very
good time on your birthday, although
I expect that by now it has long
been forgotten. You were lucky to
have only been 1/6 out of pocket
after buying a bottle of whisky.
If you were in this country I think
it would have been a good deal
more than that.

How is Mary Len? I haven't
heard anything about her for a
long time. I shall never forget
that day you brought her down
here when you were supposed to
be cycling & she should have been
at work. I don't expect you'll
forget it either will you?

I went to see a show at Brighton about a fortnight ago, it was called The Lisbon Story, with Patricia Burke. It was a George Black's show & was taken to the London production. I think it is doing very well up in London now. I hope to be going again on Saturday, with Mather & Doreen to see 'Ho. Ho. Harett'. It is a very old show come back again.

I have been playing tennis quite a bit lately. Doreen & I usually play with a couple of Air Force fellows & we have some quite good fun. It makes a change & breaks the monotony of life.

It doesn't seem possible that you have been gone over a year now. Does it seem very long to you? But still it won't be very long now when you come home & think of what a welcome you'll get. Don't forget to come & see us, if you can spare the time.

I'm afraid I shall have to close now. Mather & Doreen send their love to you. Good Luck & look after yourself. With love from your cousin,
Joyce
